

Message from the Director

Thanks to past Directors, Bailadores de Bronce has been able to always move forward and be a leader in the Seattle artistic community.

As we look back at everything we have been able to accomplish, we cannot help but to look at our future. For the last few years we have been able to provide continuing education to our instructors and dancers through intensive workshops. In turn, this has allowed us to recruit, keep, and develop new talent. Thanks to Christina Olivas, our in-house teacher and choreographer, every few months new dancers make their debut ensuring future generations of dancers. It's always a great pleasure to be able to see these young dancers evolve into adults and have Bronce be a positive influence in their lives.

All of this is possible thanks to our Board of Directors whose hard work has allowed us to provide dance classes and costumes at no cost to the dancers.

I would like to invite you to visit us at our rehearsals and try dancing so you can find out what the magic is all about.

Mil gracias,

Adrian Olivas
Director
